LOVE

love

A decorative graphic featuring the word 'LOVE' in large, red, brush-stroke letters. Below it, the word 'love' is written in a black cursive script. A black arrow points from the left towards 'love', and another black arrow points from 'love' towards the right. Several small red hearts are scattered around the text.

SIAMO MORBIDISSIMI E SOFFICI, NON POTRAI RESISTERCI!

E' scientifico: nei bambini l'abbraccio ha la funzione di rafforzare l'autostima, il suo effetto perdura negli adulti regalando un senso di sicurezza che argina la pressione della vita quotidiana. L'abbraccio aumenta il livello di serotonina, che migliora l'umore e accresce il senso di felicità, rilassa i muscoli aumentando la circolazione nei tessuti molli e ottenendo un effetto benefico.
